

# LODGING OPTIONS

Diamondville Resort for Pets (Diamond Kennels) now offers some exciting new lodging options for your best friend! This past year, we have made many improvements to our facility, such as new epoxy floors for safer footing, soundproof ceilings to help reduce stress from noise, bright wall colors with decorative tile to create a more home-like atmosphere, additional interior windows to let in more sunshine, much larger rooms, stainless steel/glass doors on runs so no more chain link! All these changes will help us to continue to provide the highest quality of care to all of our guests. We would love to show you our improvements, so please stop in for a tour!
